With this in mind, teens are taught the principles of a democratic society and are given leadership roles in the models of judicial, legislative and executive branches of local, state and national government. Participants meet in groups throughout the year to discuss and debate issues that affect citizens of their state and to propose legislation. The program culminates with teens serving as delegates at their state conference, debating bills on the floor of the legislature.

Financial Assistance

There is no other nonprofit quite like the YMCA. We are—and always will be—dedicated to building healthy, confident, connected, and secure children, adults, families, and communities. We make accessible the support and opportunities that empower people in our community to learn, grow, and thrive.

We encourage people who are in need of financial assistance to contact us for application information. The process is simple and confidential. Funds for this purpose are provided by contributions to our Annual Community Support Campaign.

Thanksgiving Basket Drive

The Y is here for our community. Within our Y, we have families with different levels of financial means. Please consider sponsoring a family this Thanksgiving.
