

The individuals and businesses of the President's Club represent the full spectrum of the community, but they all have one thing in common: an exceptionally strong commitment to their community. They donate to the Y because they know their gift changes the lives of so many people—children, families, seniors—in so many ways. President's Club members feel a deep satisfaction in knowing that they're making a positive difference in spirits, minds and bodies and that the entire community is better for it. We hope you'll consider joining this very special club and enjoy the same satisfaction.
