STEP 3: Set Up Your Fundraising Page

Click on "Doing Your Own Thing"

About Your Event:

1. Tell Us About Your Event
 - Event Type: An appeal for a charity
 - Event Name: Whatever you want it to be!
 - Event Date: leave blank
2. Choose your fundraising page web address
 - It will default to your name, but you can change it if you want
3. Choose your fundraising page settings
 - This is to opt in for updates from the YMCA that are sent through JustGiving about our fundraising efforts.

Click on "Create Your Page"

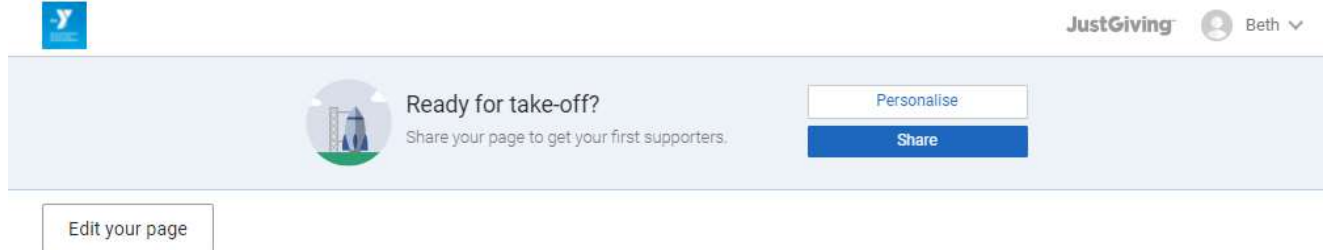

We have built a default page for you which includes the Title, Story, and Photo. All of these items can be customized to whatever you want to share your passion for the Y!

STEP 4: Editing Your Fundraising Page

In the upper left corner is an icon "Edit Your Page"

While in editing mode, you can change:

- The name of the page
- Your target fundraising goal
- The cover photo
- Add additional photos
- Personalize your thank you message
- Share on social media
- Send a QR code
- Start a team – invite others to fundraise with you!

If you run into issues or have any questions, please contact either your branch director OR Beth Haugen, Executive Director of Development at bhaugen@vosymca.org.
