GOAL: \$100,000**

FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

As an organization with more than a century of experience in caring for our community, the Valley of the Sun YMCA responds quickly to these challenges; creatively expanding our programs to meet our community when, where and how we are needed most.

Thanks to the generous support of our donors, we can continue to ensure the health, safety and well-being of every YMCA child and family. We are working to pave the way for a bright future to all of our community no matter their age, race, gender or socioeconomic status.

## OUR MISSION

The Valley of the Sun YMCA's mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

## OUR CAUSE

At the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

## ADVANCING CHILDHOOD DEVELOPMENT

Y programs are committed to executing experiences rich in social/emotional learning because youth do better when they have supportive adults nurturing their potential.

**In 2022, the Y will:**

- **Serve 30 new families in early learning and school age childcare programs**
- **Expand the early learning program to serve children ages 2-4**

## DEVELOPING COMMUNITY LEADERS

Y programs provide experiences that build a sense of belonging and welcome young people to develop their self-identity.

**In 2022, the Y will:**

- **Provide teen leadership programming to 30 teens**
- **Develop strong community partnerships for our teen programs**

## PROMOTING HEALTHY LIVING

Y membership and wellness programs can improve the health and well-being of our community to reduce chronic disease, obesity, and improve mental health.

**In 2022, the Y will:**

- **Provide families with opportunities to experience the Y through membership and family activities**

## STRENGTHENING FAMILIES

Y programs support parents in creating stronger families to lower child poverty, reduce social-isolation, increase positive health outcomes, and increase family income.

**In 2022, the Y will:**

- **Provide safe and affordable housing for 140 low-income adults**
- **Enhance the Residence program with partnerships to provide case management, health coaching, and social opportunities**
