STEP 4: Customize your page!

We created some sample content – but feel free to adjust and make this your own!

- Edit the title of your campaign – most people put their name where indicated
- Edit the content! We have a sample story, but make it your own. You can also use JustGiving’s “Enhance your Story” AI feature to make it even more compelling!
- Choose your fundraising page link

Why are you raising money?

First off, I want to thank you. Through this campaign, we are working to ensure a brighter future for the Valley of the Sun. Your support will help young people achieve their potential, empower community members of all ages to lead healthier lives, and strengthen the bonds of the families in our neighborhood.

Please join me in giving today through the Y to support these families. It would be an enormous help and encouragement to others.

Thank you!
