GROUP FITNESS CLASS DESCRIPTIONS

Mind & Body	Cardio	Strength Training	Active Older Adults
<p>Ball Pilates: Want to improve flexibility, balance and strengthen core muscles? This class will enhance all these! It will help elongate and strengthen muscles, strengthen your back, and improve your posture.</p>	<p>Cycle: A class on a uniquely designed stationary bike that simulates road biking with upbeat music and guided programs with various intensity. Beginner through advanced cycle participants welcome!</p>	<p>Muscle Conditioning: A workout designed for both athletes and non-athletes. Vigorous plyometric drills and calisthenics will push your cardio endurance and strength conditioning;</p>	<p>55 and Alive!:This class is specifically designed for older adults. It gives participants an opportunity to stay physically active or in some cases, to overcome their fear of exercise and begin being physically active. This class will accommodate a wide variety of interests and functional abilities. The programing includes flexibility, balance, cardio, and resistance training.</p>
<p>Stretch & Tone: Counterbalance your energetic workouts with some stretching and breathing. Stretch from top to bottom and everywhere in between during this workout everyone can enjoy.</p>	<p>Zumba: Like no other workout! Inspired by the traditional cumbia, salsa, samba and meringue music paired with Latin rhythms, together with international dance steps. Easy to follow dance moves and body shaping benefits.</p>	<p>designed to increase muscle endurance and tone, utilizing a variety of equipment. Class focuses on all major muscle groups resulting in a total body workout.</p>	<p>SilverSneakers Cardio Circuit: This class offers standing, low impact choreography alternated with standing upper-body strength work with hand held weights, elastic tubing with handles and a SilverSneaker ball. A chair is available for support. This class is suitable for nearly every fitness level and can be adapted depending on the skill of individual participants.</p>
<p>Yoga: With a focus on breathing and rejuvenating movements. Enjoy a variety of poses to increase strength and flexibility. All levels welcome to any of our classes. New to yoga a Beginner/Intermediate class offered on Fridays in October!</p>	<p>Retro Step: A cardiovascular and strength workout taking you back to the basics where the step patters are simple to follow but the intensity is "as you make it" depending on your choice of step height. Each class will include a strength segment utilizing hand weights targeting major muscle groups.</p>	<p>Boot Camp Basics: Learn functional movements in a circuit format! Get a full body workout while torching calories and learning new movements!</p>	<p>Dancing Grannies: A Tap Dancing group for women ages 50+, offers classes at the Flagstaff Family YMCA twice a week. Come join us for some fun!</p>
<p>Pilates/Yoga: A flowing mind/body practice integrating yoga and pilates to increase strength, flexibility, and balance while reducing stress and improving endurance. All levels welcome!</p>		<p>Bodyworks : A 50-minute workout that will use dumbbells and resistance bands in a variety of exercises while keeping you moving to the beat of the music. Modifications will be made for all fitness levels. Everyone is encouraged to participate!</p>	<p>Fencing: An exciting combat sport that takes you back to a time before mechanized weapons. The object of fencing is to effectively score a set number of points on your opponent before he scores that number on you. Points are scored by getting touches on your opponent's body.</p>
		<p>Strength Training Together®:Group Power® is your hour of power! Blast all your muscles with this high-rep weight training workout.Using an adjustable barbell, weight plates and body weight, Group Power® combines squats, lunges, presses and curls with functionalintegrated exercises. Dynamic music and a motivating group atmosphere will get your heart rate up, make you sweat and push you to apersonal best. Power Up!</p>
